

# WOW Bucks

Motivate your class to use good behavior and reward them with "WOW Bucks".

Every day your students are doing awesome things, so why not reward them for it? You can print out the sheet of "WOW Bucks" provided, cut them out and pass out the "WOW Bucks" to kids when you catch them doing great things. Kids can redeem them at a class store, for treats, privileges or any other fantastic reward system that you want. Students can also save them up for a special reward like lunch with the teacher.
